**AMENDMENTS TO THE CLAIMS:**

Please cancel without prejudice claim 9 as follows.

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (previously presented) A light cover arranged to be placed over a light source emitting infrared radiation, wherein said light cover comprises an aircraft exterior light cover, wherein the light cover includes a reflective element angled with respect to said light cover for reflecting a portion of said emitted infrared radiation away from said light cover and substantially away from said light source.

2. (original) A light cover according to claim 1, wherein said reflective element comprises an infrared reject filter.

3. (previously presented) A light cover according to claim 1, wherein said reflective element is partially mirrored.

4. (previously presented) A light cover according to claim 1 wherein said light cover is manufactured from a synthetic material.

5. (original) A light cover according to claim 4, wherein said synthetic material is polycarbonate.

6. (previously presented) A light cover according to claim 4, wherein said light cover is coated with a scratch resistant layer.

7. (previously presented) A light cover according to claim 1, wherein said reflective element is further arranged to reflect said infrared radiation away from said light source.

8. (cancelled)

9. (cancelled).
